

Corrigendum to EN 61770:2009

English version

Annex ZB to be inserted after Annex ZA

Annex ZB (informative)

A-deviations

A-deviation: National deviation due to regulations, the alteration of which is for the time being outside the competence of the CEN/CENELEC member.

This European Standard falls under Directive 2006/95/EC.

A-deviations in an EFTA-country are **valid instead** of the relevant provisions of the European Standard in that country until they have been removed.

<u>Clause</u>	<u>Deviation</u>
1	<p>United Kingdom (The England and Wales Water Supply (Water Fittings) Regulations 1999 and equivalent Water Byelaws in Scotland and Northern Ireland)</p> <p>The following additional requirement applies:</p> <p>Constructional materials of the appliance shall not adversely affect the quality of the water with which they may come into contact upstream of the backflow prevention device.</p> <p><i>Compliance is checked by the tests specified in BS 6920.</i></p>
4.1	<p>United Kingdom (The England and Wales Water Supply (Water Fittings) Regulations 1999 and equivalent Water Byelaws in Scotland and Northern Ireland)</p> <p>The following additional requirement applies:</p> <p>The backflow prevention device shall be in accordance with the Secretary of State Specification for the Requirements for the Prevention of Backflow.</p>
