Page 2

5.2 Methanol, with a water content of less than 0,05 g per 100 g.

Replace the text covering recommendations and the warning with the following:

Methanol is hygroscopic so it is recommended to cap the bottle with an automatic delivery pipette equipped with a drying tube.

WARNING — Methanol is toxic. There is danger of very serious irreversible effects through inhalation, contact with the skin and if swallowed. Take precautions and read Material Safety Data Sheets (MSDS).
