Käsitlusala: Käesolev Euroopa standard kirjeldab meetodit aglomereeritud korki näivtiheduse määramiseks. Meetod põhineb standardil ISO 3810:1987.	Scope:
---	----------------------

ICS 79.100, 97.150

Võtmesõnad: kork, maht), määramine, põrandakatted, testimine, tihedus (mass

ICS 91.180

Descriptors: Floor coverings, agglomerated cork, apparent density, testing.

English version

Resilient floor coverings

Determination of apparent density of agglomerated cork

Revêtements de sol résilients – Détermination de la masse volumique d'aggloméré de liège

Elastische Bodenbeläge – Bestimmung der Rohdichte von Preßkork

This European Standard was approved by CEN on 1996-11-30.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.

Foreword

This European Standard has been prepared by Technical Committee CEN/TC 134 "Resilient and textile floor coverings", the secretariat of which is held by BSI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by June 1997, and conflicting national standards shall be withdrawn at the latest by June 1997.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.
