NATIONAL FOREWORD

This document is

- the Estonian National Annex to the European Standard EN 590:2022. The National Annex gives special requirements in order to apply the European Standard's Clause 4 and Subclause 6.6 in Estonia;
- endorsed with a notification published in the July 2022 issue of the official bulletin of the Estonian Centre for Standardisation and Accreditation.

The proposition to prepare a National Annex was made by the technical committee EVS/TC 37 „Quality of fuels and lubricants“, it was coordinated by the Estonian Centre for Standardisation and Accreditation.

The National Annex was prepared by Estonian Environmental Research Centre, this document has been approved by EVS/TC 37.

Some of the elements of this document or some of the solutions described in this document may be the subject of patent rights. EVS shall not be held responsible for identifying any or all such patent rights.

Feedback about the content of the standard can be given by using the feedback form on the home page of the Estonian Centre for Standardisation and Accreditation or by e-mail standardiosakond@evs.ee.
