This European Standard was approved by CEN on 1997-02-15.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.

## Contents

### Foreword

- 1 Scope
- 2 Definitions
- 3 Nomenclature of power-driven brushes

### Foreword

This European Standard has been prepared by Technical Committee 173 "Brushware" the secretariat of which is held by BSI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by September 1997, and conflicting national standards shall be withdrawn at the latest by September 1997.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

### 1 Scope

This part of this European Standard defines terms used to describe power-driven brushes and gives the nomenclature of power-driven brush products.

This standard also provides the necessary definitions for the purpose of other European Standards for power-driven brushes.

It is not applicable to brushes for vehicle washing plants, vacuum cleaners, floor cleaning machines, gutter and street cleaning brushes, dental brushes, brushes with tapered bores nor brushes designed for special applications.
