Descriptors: Glass fibre reinforced cement, water absorption, dry density, testing.

**English version**

Precast concrete products

**Test method for glass fibre reinforced cement**

Part 6: Determination of the absorption of water by immersion  
and determination of the dry density

Produits préfabriqués en béton –  
Méthode d'essai des composites  
ciment-verre – Partie 6: Détermina-  
tion de l'absorption d'eau par immer-  
sion et de la masse volumique sèche

Vorgefertigte Betonerzeugnisse –  
Prüfverfahren für Glasfaserbeton –  
Teil 6: Bestimmung der Wasser-  
aufnahme mittels Tauchverfahren und  
der Trockenrohddichte

This European Standard was approved by CEN on 1997-10-29.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.

## Foreword

This European Standard has been prepared by Technical Committee CEN/TC 229 "Precast concrete products", the secretariat of which is held by AFNOR.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by May 1998, and conflicting national standards shall be withdrawn at the latest by May 1998.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.
