This European Standard was approved by CEN on 18 February 2008 and includes Amendment 1 approved by CEN on 8 July 2013.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.

Foreword

This document (EN 12221-1:2008+A1:2013) has been prepared by Technical Committee CEN/TC 252 "Child use and care articles", the secretariat of which is held by AFNOR.

This document has been prepared in collaboration with CEN/TC 207 "Furniture", the secretariat of which is held by UNI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by February 2014, and conflicting national standards shall be withdrawn at the latest by February 2014.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN [and/or CENELEC] shall not be held responsible for identifying any or all such patent rights.

This document supersedes **A₁** EN 12221-1:2008 **A₁**.

This document includes Amendment 1 approved by CEN on 2013-07-08.

The start and finish of text introduced or altered by amendment is indicated in the text by tags **A₁** **A₁**.

This European Standard is one part of the series of standards of EN 12221 "Changing units for domestic use" consisting of the following parts:

- Part 1: Safety requirements
- Part 2: Test methods

According to the CEN-CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and the United Kingdom.

1 Scope

This part of EN 12221 specifies safety requirements for changing units for domestic use for children with a body weight no more than 15 kg.

EN 12221 only covers the function of the item as a changing unit. If the changing unit can be converted or used as another function it shall comply with other relevant standards, e.g. cots, storage furniture, etc.

The changing unit may be foldable and can be fitted with a child bathtub or other additional items.

Changing pads are only covered by this standard when they form a part of the changing unit.

2 Normative references

The following referenced documents are indispensable for the application of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

EN 71-1, *Safety of toys - Part 1: Mechanical and physical properties*

EN 71-3, *Safety of toys - Part 3: Migrations of certain elements*

Ⓐ EN 12221-2:2008+A1:2013, *Child use and care articles - Changing units for domestic use - Part 2: Test methods* Ⓩ

3 Terms and definitions

For the purposes of this document, the following terms and definitions apply.

3.1

changing unit

elevated structure designed to support a child in a lying position for the purpose of allowing a caregiver to change the child's nappy

Ⓐ 3.1.1

type 1 changing unit

changing unit intended for use for children from birth up to an age of 12 months, up to 11 kg in accordance with the manufacturer's instructions for use

3.1.2

type 2 changing unit

changing unit intended for use for children from birth up to 15 kg in accordance with the manufacturer's instructions for use Ⓩ

3.2

wall mounted changing unit

changing unit designed to be attached to a wall

3.3

accessibility zone

space around the changing area within the child's reach. The volume contained within 550 mm above the changing area and within 200 mm around the changing area measured horizontally from the inside of the area, see Figure 1a) and Figure 1b)
