This European Standard was approved by CEN on 1998-09-03.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.

## Foreword

This European Standard has been prepared by Technical Committee CEN/TC 165 "Waste water engineering", the secretariat of which is held by DIN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by October 1999, and conflicting national standards shall be withdrawn at the latest by October 1999.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

## 1 Scope

This standard specifies the requirements for quality control for gullies and access covers for buildings to ensure conformity of these products with EN 1253-1 : 1999 and prEN 1253-4.

## 2 Normative references

This European Standard incorporates by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this European Standard only when incorporated in it by amendment or revision. For undated references the latest edition of the publication referred to applies.

EN 1253-1 : 1999

Gullies for buildings - Part 1: Requirements

EN 1253-2 : 1998

Gullies for buildings - Part 2: Test methods

prEN 1253-4

Gullies for buildings - Part 4: Access covers

EN ISO 9001

Quality systems - Model for quality assurance in design, development, production, installation and servicing (ISO 9001 : 1994)

EN ISO 9002

Quality systems - Model for quality assurance in production, installation and servicing (ISO 9002 : 1994)

## 3 Definitions

For the purposes of this standard the definitions given in EN 1253-1 : 1999, EN 1253-2 : 1998 and prEN 1253-4 apply.

## 4 Quality control

### 4.1 General

Products manufactured to EN 1253-1 : 1999, EN 1253-2 : 1998 and prEN 1253-4 shall be subjected to quality control procedure as follows:

- a) type testing;
- b) factory production control.
