kaitseseadmetele kaitseks ülemäärase
surve eest**

Shell boilers - Part 8: Requirements for safeguards
against excessive pressure

EESTI STANDARDI EESSÖNA

NATIONAL FOREWORD

Käesolev Eesti standard EVS-EN 12953-8:2002 sisaldb Euroopa standardi EN 12953-8:2001 + AC:2002 ingliskeelset teksti. Käesolev dokument on jõustatud 16.01.2002 ja selle kohta on avaldatud teade Eesti standardiorganisatsiooni ametlikus väljaandes. Standard on kätesaadav Eesti standardiorganisatsioonist.	This Estonian standard EVS-EN 12953-8:2002 consists of the English text of the European standard EN 12953-8:2001 + AC:2002. This document is endorsed on 16.01.2002 with the notification being published in the official publication of the Estonian national standardisation organisation. The standard is available from Estonian standardisation organisation.
---	--

Käsitlusala: This part of this European Standard specifies the requirements for safeguards against excessive pressure in shell boilers as defined in EN 12953-1.	Scope: This part of this European Standard specifies the requirements for safeguards against excessive pressure in shell boilers as defined in EN 12953-1.

English version

Shell boilers - Part 8: Requirements for safeguards against excessive pressure

Chaudières à tubes de fumée - Partie 8: Exigences pour la protection vis-à-vis des excès de pression

Großwasserraumkessel - Teil 8: Anforderungen an Sicherheitseinrichtungen gegen Drucküberschreitung

This European Standard was approved by CEN on 7 September 2001.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
