Võtmesõnad:

English version

Wallcoverings in roll form

Determination of dimensions, straightness, spongeability and washability

Revêtements muraux en rouleaux –
Détermination des dimensions, de la
rectitude, de l'épongeabilité et de la
lavabilité

Wandbekleidungen in Rollen –
Bestimmung der Maße, Geradheit,
Wasserbeständigkeit und
Abwaschbarkeit

This European Standard was approved by CEN on 1999-04-18.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.

Foreword

This European Standard has been prepared by Technical Committee CEN/TC 99 'Wallcoverings', the Secretariat of which is held by BSI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, and conflicting national standards withdrawn, by November 1999 at the latest.

In accordance with the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard:

Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.

This European Standard will supersede the annexes of European Standard EN 233 : 1989. The final edition of EN 233 will contain only specifications.

1 Scope

This standard specifies:

- a method for measuring dimensions;
- a method for verifying straightness;
- a method for assessing spongeability and washability.

It is applicable to all wallcoverings in roll form, except cork wallcoverings.

2 Normative references

This European Standard incorporates, by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text, and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this European Standard only when incorporated in it by amendment or revision. For undated references, the latest edition of the publication referred to applies.

EN 233	Wallcoverings in roll form – Specification for finished wallpapers, wall vinyls and plastics wallcoverings
EN 235	Wallcoverings in roll form – Vocabulary and symbols
prEN 259-1	Wallcoverings in roll form – Heavy duty wallcoverings – Part 1: Specifications
ISO 187 : 1990	Paper, board and pulps – Standard atmosphere for conditioning and testing and procedure for monitoring the atmosphere and conditioning of samples
ISO 565 : 1990	Test sieves – Metal wire cloth, perforated metal plate and electroformed sheet – Nominal sizes of openings
ISO 1923 : 1981	Cellular plastics and rubbers – Determination of linear dimensions
ISO 2439 : 1980	Flexible cellular materials – Determination of hardness (indentation technique)

3 Definitions

For the purposes of this European Standard, the definitions from EN 235 apply.
