**ICS** 07.080, 07.100.01

**Võtmesõnad:** classifications, management, microorganims, microorganisms, micro-organisms, performance, pollution control, pressure vessels, pressure-tight, protection against leakage, protection devices, safety, safety requirements, specification (approval), specifications

ICS 07.080; 07.100.01

English version

## Biotechnology - Performance criteria for vessels - Part 2: Pressure protection devices

Biotechnologie - Critères de performance des récipients -  
Partie 2: Dispositifs de protection vis-à-vis de la pression

Biotechnik - Leistungskriterien für Behälter - Teil 2:  
Druckentlastungseinrichtung

This European Standard was approved by CEN on 4 February 2001.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
