ICS 83.120

Võtmesõnad: castings, composite materials, designation systems, designations, encoding, gmt, moulding materials, mouldings (shaped section), plastics, thermoplastic polymers

ICS 83.120

English version

**Reinforced thermoplastic moulding compounds - Specification
for GMT - Part 1: Designation**

Préimprégnés renforcés thermoplastiques - Spécifications
des GMT - Partie 1: Désignation

Verstärkte Thermoplast-Formmassen - Spezifikation für
GMT - Teil 1: Bezeichnung

This European Standard was approved by CEN on 28 November 2002.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland and United Kingdom.
