Foreword

This document (EN 13761:2002) has been prepared by Technical Committee CEN /TC 207 "Furniture", the secretariat of which is held by IBN.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by March 2003, and conflicting national standards shall be withdrawn at the latest by March 2003.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

Introduction

The dimensions in this standard are based on practical experience of manufacturers and users. Neither the range of adjustment nor the fixed dimensions will accommodate all the variation of anthropometric dimensions of the user population. Considering the field of application and the use of visitors chairs, the dimensions listed hereafter are compromises between different requirements.

1 Scope

This European Standard specifies dimensions and safety requirements for visitors chairs.

The dimensional requirements are not applicable to easy chairs.

2 Normative references

This European Standard incorporates by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text, and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this European Standard only when incorporated in it by amendment or revision. For undated references the latest edition of the publication referred to applies (including amendments).
