1 Scope

This European Standard specifies functional requirements (see Clause 5) and safety requirements (see Clause 6) for table tennis tables hereafter referred to as tables. They are applicable for tables used only for playing table tennis and take no account of the consequences of any misuse.

This European Standard is applicable to five types of tables (see Table 2) within the Classes A to D (see Table 1).

This European Standard excludes table tennis tables which are installed in locations covered by EN 1176 and EN 15312.

2 Normative references

The following documents, in whole or in part, are normatively referenced in this document and are indispensable for the application. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.
