English Version

Conservation of cultural property - Packing principles for transport

Conservation des biens culturels - Principes d'emballage
pour le transport

Erhaltung des kulturellen Erbes - Verpackungsverfahren für
den Transport

This European Standard was approved by CEN on 29 July 2011.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This document (EN 15946:2011) has been prepared by Technical Committee CEN/TC 346 “Conservation of cultural property”, the secretariat of which is held by UNI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by February 2012, and conflicting national standards shall be withdrawn at the latest by February 2012.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN [and/or CENELEC] shall not be held responsible for identifying any or all such patent rights.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.

Introduction

This European Standard provides recommendations (the word should is used) and lists requirements (the word shall is used) for safe and secure packing of cultural property for transport.

It is intended for individuals or organizations involved in the preservation of cultural property in order to reduce the risk of damage.

The standard proposes a common terminology and procedures for packing.

The appropriate range of knowledge, skills and competencies is required by every party involved with packing cultural property for transport.

1 Scope

This European Standard specifies the packing process for objects considered by the owner/custodian as ready to be moved.

2 Normative references

The following referenced documents are indispensable for the application of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

EN 15898:2011, *Conservation of cultural property — Main general terms and definitions*

EN ISO 780, *Packaging — Pictorial marking for handling of goods (ISO 780:1997)*

3 Terms and definitions

For the purposes of this document, the terms and definitions given in EN 15898:2011 and the following apply.

3.1

accompanying condition report

document recording the present state of an object and of any changes during transit

3.2

accompanying documents

set of documents accompanying cultural property during its transport

3.3

consignee

person or organization to whom the shipment of cultural property is to be delivered

NOTE The last consignee is called final consignee.

3.4

courier

person authorized by the owner/custodian and with adequate training/experience to escort shipment of cultural property from the collecting point to the final consignee

3.5

crate

rigid box, case or container forming an outside layer of packaging for an object

3.6

cushioning

material or devices incorporated in a packaging system in order to maintain the physical integrity of cultural property

NOTE Adapted from EN 14182:2002.

3.7

custodian

person or organization to whom possession of the cultural property has been granted by the owner
