Descriptors: Textiles, fabrics, recovery from creasing, angle of recovery.

English version

Textile fabrics

**Determination of the recovery from creasing of a horizontally
folded specimen by measuring the angle of recovery
(ISO 2313 : 1972)**

Etoffes; détermination de l'auto-défrois-
sabilité d'une éprouvette pliée horizon-
talement, par mesure de l'angle ré-
manant après pliage (ISO 2313 : 1972)

Textilien; Bestimmung der Knittererho-
lungsfähigkeit einer horizontal gefalteten
Gewebeprobe durch Messung des Erho-
lungswinkels (ISO 2313 : 1972)

This European Standard was approved by CEN on 1992-06-26 and is identical to the ISO Standard as referred to.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

International Standard

ISO 2313 : 1972 Textile fabrics; determination of the recovery from creasing of a horizontally folded specimen by measuring the angle of recovery

has been adopted by CEN/TC 248 'Textiles and textile products' from the work of ISO/TC 38 'Textiles'.

The document was submitted to the CEN members to the Unique Acceptance Procedure and was approved without any modification.

In the countries bound to implement this European Standard, a national standard identical to this European Standard shall be published, and conflicting national standards withdrawn, by 1992-12-31 at the latest.

In accordance with the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard:

Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Endorsement notice

The text of the International Standard ISO 2313 : 1972 was approved by CEN as a European Standard without any modification.
