EUROPEAN STANDARD

EN 26553:1991

NORME EUROPEENNE

EUROPAISCHE NORM

September 1991

UDC 621.646.9.057.6:621.186.6:62-77

Descriptors: Valves and fittings, traps : drainage, water vapor, steam, automatic equipement, marking

English version

Automatic steams traps - Marking (ISO 6553:1980)

Purgeurs automatiques de vapeur d'eau - Kondensatableiter - Kennzeichnung
Marquage (ISO 6553:1980) (ISO 6553:1980)

This European Standard was approved by CEN on 1991-09-30 and is identical to the ISO standard as referred to.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

ISO (the International Organization for Standardization) is a worldwide federation of national standards institutes (ISO member bodies). The work of developing International Standards is carried out through ISO technical committees. Every member body interested in a subject for which a technical committee has been set up has the right to be represented on that committee. International organizations, governmental and non-governmental, in liaison with ISO, also take part in the work.

Draft International Standards adopted by the technical committees are circulated to the member bodies for approval before their acceptance as International Standards by the ISO Council.

International Standard ISO 6553 was developed by Technical Committee ISO/TC 153, *General purpose industrial valves*, and was circulated to the member bodies in March 1979.

It has been approved by the member bodies of the following countries :

Austria	India	Romania
Belgium	Italy	Sweden
Canada	Japan	Switzerland
Chile	Korea, Rep. of	United Kingdom
Denmark	Libyan Arab Jamahiriya	USA
Finland	Netherlands	USSR
France	Norway	
Germany, F. R.	Poland	

The member bodies of the following countries expressed disapproval of the document on technical grounds :

Australia
Czechoslovakia
South Africa, Rep. of
