English version

Water quality

Methods of biological sampling

Guidance on handnet sampling of aquatic benthic macro-invertebrates
(ISO 7828:1985)

Qualité de l'eau; méthodes d'échantillonnage biologique; guide pour le prélèvement des macro-invertébrés benthiques à l'épuisette (ISO 7828:1985)

Wasserbeschaffenheit; Probenahme für biologische Untersuchungen; Anleitung zur Probenahme aquatischer, benthischer Makro-Invertebraten mit dem Handnetz (ISO 7828:1985)

This European Standard was approved by CEN on 1994-01-14 and is identical to the ISO Standard as referred to.

CEN members are bound to comply with the CEN/GENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

European Committee for Standardization
Comité Européen de Normalisation
Europäisches Komitee für Normung

Central Secretariat: rue de Stassart 36, B-1050 Brussels

Foreword

On the proposal of the CEN Central Secretariat, CEN/BT decided to submit International Standard ISO 7828:1985 Water quality; methods of biological sampling; guidance on handnet sampling of aquatic benthic macro-invertebrates

to Formal Vote. The result was positive.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, and conflicting national standards withdrawn, by July 1994 at the latest.

In accordance with the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard:

Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Endorsement notice

The text of the International Standard ISO 7828:1985 was approved by CEN as a European Standard without any modification.
