ignition of surrounding flammable gases

EESTI STANDARDI EESSÕNA

NATIONAL FOREWORD

<p>Käesolev Eesti standard EVS-EN 28846:1999 sisaldab Euroopa standardi EN 28846:1993 ingliskeelset teksti.</p> <p>Käesolev dokument on jõustatud 23.11.1999 ja selle kohta on avaldatud teade Eesti standardiorganisatsiooni ametlikus väljaandes.</p> <p>Standard on kättesaadav Eesti standardiorganisatsioonist.</p>	<p>This Estonian standard EVS-EN 28846:1999 consists of the English text of the European standard EN 28846:1993.</p> <p>This document is endorsed on 23.11.1999 with the notification being published in the official publication of the Estonian national standardisation organisation.</p> <p>The standard is available from Estonian standardisation organisation.</p>
--	---

<p>Käsitlusala: Standard kirjeldab väikelaevades kasutatavate elektriseadmete konstruktsioonile esitatavaid nõudeid ja katsetusmeetodeid, tänu millele on neid elektriseadmeid võimalik kasutada plahvatusohtlikus keskkonnas ilma ümbritsevaid põlevgaase süütamata. Standardis ei nõuta plahvatuskindlat või plahvatuse eest kaitstud elektriaparatuuri nagu on määratletud standardis IEC 79-0.</p>	<p>Scope:</p>

Kleine Wasserfahrzeuge; elektrische Geräte; Zündschutz gegenüber entflammenden Gasen (ISO 8846:1990)

This European Standard was approved by CEN on 1993-08-19 and is identical to the ISO Standard as referred to.

CEN members are bound to comply with the CEN/GENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Central Secretariat: rue de Stassart 36, B-1050 Brussels

Foreword

This European Standard is the endorsement of ISO 8846:1990 Small craft; electrical devices; protection against ignition of surrounding flammable gases, which was recommended by CEN/BT/WG 69 'Small craft'.

ISO 8846 was submitted to Formal Vote and the text approved by CEN as a European Standard.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, and conflicting national standards withdrawn, by February 1994 at the latest.

This standard was approved, and in accordance with the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard:

Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Endorsement notice

The text of the International Standard ISO 8846:1990 was approved by CEN as a European Standard without any modification.
