European foreword

This document (CEN/TR 17068:2017) has been prepared by Technical Committee CEN/TC 349 “Sealants for joints in building construction”, the secretariat of which is held by AFNOR.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN shall not be held responsible for identifying any or all such patent rights.

This document is a preview generated by EVS

Introduction

In 2015, as it was in line with the provisions in Subclause 11.4 of the CEN-CENELEC Internal Regulations, BT/TCMG on behalf of BT decides that Technical Committees preparing hENs in support of Regulation EU 305/211 (CPR - Construction Products Regulation) could develop Technical Reports to include examples of CE marking and Declaration of Performance (DoP).

These examples are especially useful for SMEs.

This Technical Report does not supersede the provisions of the CPR.

1 Scope

This Technical Report provides guidance for CE marking and Declaration of Performance (DoP) for sealants for joints in building construction.

2 Normative references

Not applicable.

3 Example of DOP

This clause gives an example of a DoP that may be used for a sealant intended to be used in joints only on the internal side of facade elements:

DECLARATION OF PERFORMANCE

No. 00001 - DOP - 2017/05/12

1. Unique identification code of the product-type:

Easy seal

2. Intended use/es:

Interior facade sealant (F INT)

3. Manufacturer:

AnyCo SA,

PO Box 21

B-1050 Brussels, Belgium

Tel.: +32987654321

Fax: +32123456789

e-mail: anyco.sa@provider.be

4. Authorized representative:

Not relevant

5. System/s of AVCP:

System 4 for the type testing

System 3 for the reaction to fire

6. Harmonized standard:

EN 15651-1:2017
