Caravans und Mobilheime

This European Standard was approved by CEN on 1995-11-09. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This European Standard is based on ISO 7420 "Leisure accommodation vehicles - Oil fired heating systems", and has been prepared by the Technical Committee CEN/TC 245 "Leisure accommodation vehicles" of which the secretariat is held by BSI.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by July 1996, and conflicting national standards shall be withdrawn at the latest by July 1996.

According to the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

This European standard is part one of a two part standard concerned with liquid fuel heating systems for leisure accommodation vehicles

EN 722-1 Leisure accommodation vehicles - Liquid fuel heating systems - Part 1: Caravans and mobile homes (caravan holiday homes)

prEN 722-2 Leisure accommodation vehicles - Liquid fuel heating systems - Part 2: Motor caravans¹⁾

¹⁾ In course of preparation

1 Scope

This European Standard specifies requirements for installing oil-fired heating systems in caravans and mobile homes with reference to safety. It applies to installations using oil fuels as defined in EN 27418.

2 Normative references

This European Standard incorporates by dated or undated reference, provisions from other publications. These normative references are cited at the appropriate places in the text and the publications are listed hereafter. For dated references, subsequent amendments to or revisions of any of these publications apply to this European Standard only when incorporated in it by amendment or revision. For undated references the latest edition of the publication referred to applies.

EN 27418	Leisure accommodation vehicles - Vocabulary
prEN 721	Leisure accommodation vehicles - Ventilation requirements
ISO 9227: 1991	Corrosion tests in artificial atmospheres - Salt spray tests

3 Definitions

For the purposes of this standard the definitions given in EN 27418 apply.
