Estonian National Annex

NATIONAL FOREWORD

This document is

- the Estonian National Annex to the European Standard EN 15026:2023. The National Annex could be applied for the boundary conditions in Estonia in line with standard EN 15026:2023 for designing residential buildings.
- endorsed with a notification published in the March 2025 issue of the official bulletin of the Estonian Centre for Standardisation and Accreditation.

The proposition to prepare a National Annex was made by the technical committee EVS/TC 14 „Thermal performance of buildings“, it was coordinated by the Estonian Centre for Standardisation and Accreditation.

The National Annex was prepared by EVS/TC 14, this document has been approved by EVS/TC 14.
