**Võtmesõnad:** katsed, korrosioon, korrosioonikindlus, messingid, metallid, määramine, sulamid

ICS 77.060

Descriptors: Metal coatings, corrosion test, testing, dezincification resistance.

**English version**

**Corrosion of metals and alloys**  
**Determination of dezincification resistance of brass**  
**(ISO 6509:1981)**

Corrosion des métaux et alliages;  
détermination de la résistance à la  
dézincification du laiton (ISO 6509:1981)

Korrosion von Metallen und Legierungen;  
Bestimmung der Entzinkungsbeständig-  
keit von Kupfer-Zink-Legierungen  
(ISO 6509:1981)

This European Standard was approved by CEN on 1995-01-13 and is identical to the ISO Standard as referred to.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

## Foreword

International Standard

ISO 6509:1981 Corrosion of metals and alloys; determination of dezincification resistance of brass

which was prepared by ISO/TC 156 'Corrosion of metals and alloys' of the International Organization for Standardization, has been adopted by Technical Committee CEN/TC 262 'Protection of metallic materials against corrosion' as a European Standard.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, and conflicting national standards withdrawn, by August 1995 at the latest.

In accordance with the CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard:

Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

## Endorsement notice

The text of the International Standard ISO 6509:1981 was approved by CEN as a European Standard without any modification.
